BIOFIELD THERAPIES:

An Integrative and Innovative Approach to Healing Treatment-Resistant Chronic Illness

- Discover the scientific evidence behind Biofield therapy and why it helps to improve pain, stress, and severe health conditions.
- Learn how easy it is to add energy medicine as a valuable addition to your current treatment plans.
- Improve your patient outcomes by utilizing the subtle energy systems in the body to help your patients heal.

"Anyone considering inviting Sarah onto your platform, you definitely should."
Amy Linsmeyer, Roots Change Podcast

"Very professional and well organized. Most important, was your knowledge, your wisdom, and your commitment to helping us be successful!" Linda N

"Sarah was a catalyst for change in my life and helped me understand the power of energy medicine." Melissa Delgado, MD

ABOUT SARAH LASCANO

Sarah Lascano is the founder of RayZen Energy, creator of the RayZen Lightwork Technique and Master Biofield Therapy Practitioner. She is an Internationally Recognized Best-Selling Author, Speaker, and Energy Medicine Practitioner.

Sarah is known for revolutionizing health care because she helps her clients and audiences learn an integrative and innovative approach to healing that can treat resistant chronic illness. She shares proven tools, backed by science, which remove the barriers to healing so the practitioner and patient can quickly start to see improvements.

She has been featured in media outlets, including magazines and television. Whether Sarah is speaking to a group of 20 or hundreds, her audiences love her ability to bridge the gap between eastern and western medicine.

Sarah utilizes her diverse background that merges her engineering training with her practical spiritual wisdom. Sarah is known for her down-to-earth, heart-centered speaking style because it includes science-based solutions, authentic delivery, and content-rich strategies.
